V(D). Planned Program (Activity)

1. Brief description of the Activity

- Curriculum development various workshops, seminars, and support groups
- Fact Sheets
- Newsletters

Parenting workshops were provided to parents to offer alternative ways of disciplining their children and solutions to managing their parental responsibilities with the hectic schedules that might tend to stress us out today.

Special attention was given to relatives that are raising children through workshops and social events. The goal of these workshops was to assist grandparents and other relatives in exploring the roles and responsibilities of care-providers in today's society and to offer them some tools to help them cope with new challenges. The social interactions was designed to help them network with others coping with the same challenges.
