**V(D). Planned Program (Activity)****1. Brief description of the Activity**

A study evaluated the degree of privatization that municipalities are pursuing in providing solid waste management services. Information, best practices, training and outreach were provided to agencies and organizations affiliated with free tax preparation for low and moderate income individuals and families. A child care survey was conducted to identify the decision making processes used and the use of child care subsidies. Surveys were developed in order to ascertain the degree of corporate interest in offering a portion of currently off-shore jobs to individuals in New England. A survey of 500 New Hampshire residents evaluated their opinions of renewable energy.

**2. Brief description of the target audience**

Private municipalities, mothers and low income families and those requiring child care, corporations indicating an interest in rural sourcing, target groups interested in part-time or full-time employment, policy makers, decision makers and researchers statewide who have an interest in low income and/or rural populations, citizens and utilities interested in renewable energy.
