V(D). Planned Program (Activity)

1. Brief description of the Activity

- Conduct county-based required volunteer orientation for all new volunteers serving in the youth development program focusing on principles of positive youth development, organizational policies, procedures, and best practices.
- Conduct annual statewide volunteer conference focusing on project specific knowledge and skills and leadership development for adult volunteers who work directly with youth (The event was cancelled due to a major winter storm that paralyzed Ohio).
- Conduct continuing professional education opportunities for volunteers on the local, regional and statewide level focusing on youth development principles and subject matter content.
- Develop web-based training and education modules for volunteers and build library of resources for Educators to use when conducting training/education programs for volunteers locally (Due staffing changes, this output was not addressed.)
- Establish methods to document knowledge and skills gained and identify the extent of impact training, education, and service has on volunteers.

2. Brief description of the target audience

Adult volunteers, over the age of 18 and not current 4-H members, who are currently serving the 4-H youth development program or who potentially will be serving the 4-H youth development program.

V(F). State Defined Outputs

Output Target

Output #1

Output Measure

County-based volunteer training and education programs will be held each year engaging adult volunteers serving community clubs, after-school programs, residential and day camps, and special interest programs. County Educators will report the number of training and/or educational programs conducted and volunteers attending through a year-end evaluation.

Year	Target	Actual
2008	1500	4000

Output #2

Output Measure

Conduct annual statewide volunteer conference for 1,200 adult volunteers who may select from 100 educational workshops focusing on project specific knowledge and skills and leadership development for adult volunteers who work directly with youth.

Not reporting on this Output in this Annual Report

Output #3

Output Measure

Conduct 250 continuing professional education programs for 15,000 volunteers on the local, regional and statewide level focusing on youth development principles and subject matter content.

Year	Target	Actual
2008	15000	10000

Output #4

Output Measure

Develop three new web-based training and/or education modules focusing on youth development principles, youth/adult partnerships, and conflict management for volunteers and build library of resources that includes over 50 curriculum pieces for Educators to use when conducting required new volunteer orientation training/education programs for 1800 individuals yearly.

Not reporting on this Output in this Annual Report

Output #5

Output Measure

Establish methods to document knowledge and skills gained and identify the extent of impact training, education, and service has on volunteers as measured by volunteer responses to mailed survey.

Year	Target	Actual
2008	500	400

V(G). State Defined Outcomes

O No.	Outcome Name
1	75% will increase their awareness of the principles of positive youth development by attending at least one county-based volunteer training/education program during the year.
2	50% of volunteers that have participated in county-based, statewide, and/or web-based education/training programs will adopt and apply at least two new strategies for engaging young people in programs and activities.
3	35% of volunteers currently serving as volunteers with a community club, after-school program, residential/day camp or special interest program will transfer the skills, knowledge and attitudes they have learned and apply to other programs or situations in their local communities as measured by volunteer responses to mailed survey.
4	Ohio 4-H Youth Development will increase the number of caring adults from 20,000 to 30,000 serving in the 4-H Youth Development program who are providing safe and positive environments for hands-on learning as defined by youth participants and parents/guardians.

V(H). Planned Program (External Factors)

External factors which affected outcomes

Economy

Public Policy changes

Populations changes (immigration,new cultural groupings,etc.)

Brief Explanation

V(I). Planned Program (Evaluation Studies and Data Collection)

1. Evaluation Studies Planned

After Only (post program)

Before-After (before and after program)

During (during program)

Comparisons between program participants (individuals,group,organizations) and non-participants

Comparisons between different groups of individuals or program participants experiencing different levels of program intensity.

Evaluation Results

Studies verified that volunteers gained knowledge, increased awareness, and developed appropriate skills to use with youth.

Key Items of Evaluation

Knowledge pre & post training; levels of awareness of youth issues; plans to incorporate new skills within 4-H volunteer roles.
