**V(D). Planned Program (Activity)**

**1. Brief description of the Activity**

## Community Development and the Personal and Intellectual Development of Youth

- 4-H Lifeskills Development Program: Help youth acquire Life Skills in the following areas: Decision Making; Critical Thinking; Problem-Solving; Communication; Goal-Setting; and Skills for Everyday Living to succeed as adults.
- Abenaki Outreach Program: summer and school year program reaching Abenaki youth with life skill building opportunities
- Community Leadership:
  - Downtown and Business District Analysis This program provides the community with analytical techniques that can be put to work immediately in economic revitalization efforts. The process requires input from local residents so that recommendations reflect both market conditions as well as the preferences of the community.
  - EnviroQuest: Help youth acquire Life Skills in the following areas: Decision Making; Critical Thinking; Problem-Solving; Communication; Goal-Setting; and Skills for Everyday Living to succeed as adults
  - Extension Leadership Institute:
    - Financial Literacy: Promote, teach and support personal financial literacy education for youth
    - Growing Connections: supported by base and EFNEP funds, this youth focused program teaches that nutrition, food safety, and food security issues through gardening.
    - Migrant Education Program: To ensure that children of migrant farm workers, and qualifying youth under age 22, are aware of the educational support services available to them.
    - Rural and Agricultural VocRehab: To assist individuals with disabilities living in rural areas and those in agricultural professions or self-employment by providing them with a variety of services tailored to their needs in order to maintain or obtain their selected employment outcome
    - S.E.T. Activities: Science, Engineering and Technologie focused programming for youth. Part of a national initiative and 4 state multistate planning effort.
    - Take Charge: Helping community adult members to gain the skills necessary to be confident enough to take part in town government by ultimately competing for town government leadership positions
    - Town Government Project: Local town officers, decision makers and officials receive education and tools to improve job performance and management, addressing topics from new legislation to handling difficult customers.
    - Urban and Community Forestry: A joint initiative between the University of Vermont Extension and the Department of Forests, Parks and Recreation. The mission of the program is to promote the stewardship of the urban and rural landscapes to enhance the quality of life in Vermont communities. The program provides educational, technical and financial assistance in the management of trees and forests, in and around the built landscape
    - Vermont AgrAbility: To make recommendations that can be used by farmers with disabilities to maintain employment, through development of accommodations.
